

DUAL CAB DOUBLE SIDE BY SIDE

- A -- **Side Bin:** With hinged or lift out lids, allowing access to storage area between drawer and quarter panel.
- B-- **Soft Luggage Rack:** Our Patented Soft Luggage Rack has a drop down gate that enables easy access to the roof cavity for storage of soft articles – i.e. sleeping bags, jackets etc.
Optional – NOT SHOWN ABOVE
- C -- **Double Roller Drawers:** Large, Lockable, all Steel construction, 20 roller bearings per drawer, with flush mount latches.
- D -- **Floor:** This bolts to your vehicle and is the foundation unit for all other components. Drilling of vehicle may be necessary on some models.
- E -- **Storage Box:** This box full width is able to be accessed via the side window. Generally used for storage of less frequently used items, and/or large dual battery system.
- F -- **Side Bin:** With hinged or lift out lids, allowing access to storage area between drawer and quarter panel.
