

CUSTOM RAISED FALSE FLOOR – CREW/DUAL CAB

- A -- **Steel Frame:** Custom designed to suit your tub and the particular height you are wanting. Bolts down on to False Floor (D). **Pictured: 300mm high**
- B -- **Fridge Slide:** Location for a Fridge Slide to be bolted down, if required. **Optional NOT SHOWN**
- C -- **Divider:** Removable steel mesh divider, bolts down onto our False Floor to divide the available storage space. **Optional**
- D -- **False Floor:** This bolts to the top of our Steel Frame and is in two halves, so you can easily remove it from the vehicle if needed.

This Storage Solution can be Custom Built for a wide range of different 4x4 Vehicles! Give us a call to see if it's suitable for your particular vehicle.
