

- This System is suited to most Crew/Dual Cab Utes.
- Sizes and tub dimensions will vary between different manufactures.
  - This is for floor plan/layout purposes only.
- Fridge Sizes will determine what Fridge Slide is to be used. 40 Ltr, 50 Ltr & 60 Ltr
- Tub liners do vary the Tub dimensions. It is necessary to inform us if a liner is fitted.

## Nomad Floorplan

## DUAL CAB NOMAD

A B C D E F G H I

- A-- **Side Pocket/Storage Area:** If Side Pocket isn't installed (as shown above), this area can accommodate 1, possibly 2, 20 Ltr Jerry Cans, fuel or water – depending on the vehicle.
- B-- **Soft Luggage Rack:** Our Patented Soft Luggage Rack has a drop down gate that enables easy access to the roof cavity for storage of soft articles – i.e. sleeping bags, jackets etc. **Optional – NOT SHOWN ABOVE**
- C-- **Storage Box #1:** With hinged or lift-out lid, and is able to be accessed via the side window. Generally used for storage of less frequently used items.
- D-- **Heavy Duty Fridge Slide:** Single handed operation, allowing Fridge to slide out smoothly for easy access. Comes in a range of sizes to suit many different Fridges, and importantly it is rattle-free.
- E-- **False Floor:** This bolts to your vehicle and is the foundation unit for all other components. Drilling of vehicle may be necessary on some models.
- F-- **Roller Drawer:** Large, lockable, all steel construction, 20 roller bearings per drawer, with flush mount latches.
- G-- **Second Roller Drawer:** Same as above; can be installed on top of the Lower Drawer.  
**Optional – NOT SHOWN ABOVE**
- H-- **Storage Box #2:** With hinged or lift-out lid, and is able to be accessed via the side window. Generally used for storage of less frequently used items.
- I-- **Storage Area:** Can accommodate a generator or larger items that have to be lifted in and out of the vehicle on a regular basis.

**PLEASE NOTE:** Not all components will fit with a 60 Ltr Fridge Slide due to increased size.
