

HALF UNIT CREW/DUAL CAB

- A-- **Full False Floor:** This bolts to your vehicle, and is the foundation for all other components. [\(Half False Floor also available\)](#)
- B-- **Flat Floor Space:** Free to your imagination! This area can be left as is, or be used for a Fridge Slide, custom tie-downs, dual battery system, jerry can holders, water tank, and more.
- C-- **Side Board:** This attaches to the Drawer to stop items on top of the Drawer falling into flat floor area. This can be set at any height (600mm high is standard) and can be removed if needed.
- D-- **Drawer Table:** Nylon, food grade cutting board that fits into the top of Drawer when in the open position. Stores away vertically on Side Board when not required. [\(OPTIONAL – NOT SHOWN\)](#)
- E-- **Roller Drawer:** Large 980mm long lockable, all steel construction Drawer with 20 roller bearings and flush mount latches.
- F-- **Side Bins:** These attach to the Drawer and have easy lift-out lids for easy access to storage in between the quarter panel and Drawer.
- G-- **Storage Box:** Located at the front of the tub behind the Drawer with a stainless steel hinged lid for easy access.

PLEASE NOTE: The largest Fridge Slide that can fit [on top](#) of the Drawer is 510mm wide due to Side Bin operation
