

TOURING UNIT

- A-- **Soft Luggage Rack:** Our Patented Soft Luggage Rack has a drop down gate that enables easy access to the roof cavity for storage of soft articles – i.e. sleeping bags, jackets etc.
- B-- **Cargo Barrier:** Premium quality, rated Autosafe barrier – specifically made to our Configurations for easy installation and removal, without having to drill your vehicle.
- C-- **Side Pocket:** Allows storage between Fridge Slide and quarter panel, eliminating articles from falling behind Fridge Slide when in the open position.
- D-- **Water Tank Kit:** Remote fill 20 Ltr Jerry Can, giving you easy access to water at all times.
- E-- **Heavy Duty Fridge Slide:** Single handed operation, allowing Fridge to slide out smoothly for easy access. Comes in a range of sizes to suit many different Fridges, and importantly it is rattle-free.
- F-- **Drawer Table:** Nylon, food grade cutting board that fits into the top of Drawer when in the open position. Stores neatly between Fridge and Drawer when not required.
- G-- **False Floor:** This bolts to existing bolt points in your vehicle and is the foundation for all other components.
- H-- **Roller Drawer:** Large, lockable, all steel construction, 20 roller bearings per drawer, with flush mount latches.
- I-- **Shelf:** This is set at 600mm high and is in 2 halves, to allow either side to be removed as your needs change, and to accommodate taller articles - i.e. generators, suitcases, etc.
- J-- **Side Bin:** This attaches to the Drawer, has Stainless Steel hinged lids to allow access to storage area between Drawer and quarter panel.

PLEASE NOTE: Not all components will fit with a 60 Ltr Fridge Slide due to increased size.
