

TOURING UNIT – No Drawer

- A -- **Soft Luggage Rack:** Our Patented Soft Luggage Rack has a drop down gate that enables easy access to the roof cavity for storage of soft articles – i.e. sleeping bags, jackets etc.
- B -- **Side Pocket:** Allows storage between Fridge Slide and quarter panel, eliminating articles from falling behind Fridge Slide when in the open position. **Optional**
- C -- **Shelf:** This is set at 600mm high and is in 2 halves, to allow either side to be removed as your needs change, and to accommodate taller articles - i.e. suitcases, etc.
- D -- **Heavy Duty Fridge Slide:** Single handed operation, allowing Fridge to slide out smoothly for easy access. Comes in a range of sizes to suit many different Fridges, and importantly it is rattle-free. **Optional**
- E -- **Side Board:** To support the Shelf System, and allows the Shelf to be in two halves.
- F -- **False Floor:** This bolts to existing bolt points in your vehicle and is the foundation for all other components.
- G -- **Cargo Barrier:** Premium quality Fourby Fitouts Barrier – specifically made to our Configurations for easy installation and removal, without having to drill your vehicle.

A Drawer/Side Bin, Fridge Slide, Water Tank Kit and Drawer Table can be added at a later stage.
